Q: Can I do an internship as a Social Science major?
A: Absolutely! You can earn up to 6 advanced hours of credit toward your degree through internships. Internships provide the hands-on experience that employers are looking for in strong job candidates. In addition to providing insight into your future career, working as an intern will give you a competitive advantage in the job market because of the skills you have developed while in the position.

The Social Science Fields:

Anthropology
Economics
History
Philosophy
Political Science
Psychology
Human Geography
Social Work
Sociology
